Every town needs organization looking forward to the improvement of conditions. To puild up the town demands united action and earnest effort. A splendid community is "Lot air" but this alone will not produce the desired result. The business and professional men must come together and unitedly determinally work for the upbuilding and Indigestion, Headache, Chills, Malaimprovement of the community. It will require money, not necessarially a arge amount, but some is needed It will require work-lots of it. The men of affairs and finance in the who went through the whole war East and North have their eyes on Baford township, and this year made the South. They are fully aware of with his own hands three bales of its tremendous opportunities for in- cotton and nine two-horse loads of corn.
